BP and WA SEA present a breakfast with Brooke Miller, Regional Director, BP Solar Australasia.

“Towards a Solar Nation”

Brooke Miller will examine the commercial and policy challenges faced by the Solar Photovoltaic industry as it seeks to increase its contribution to Australian electricity supplies.

“The challenge is now for Australia’s other state and territory governments to follow South Australia’s lead and adopt a solar Feed In Tariff and in turn help in creating a nation powered by solar.”

Brooke Miller Regional Manager, BP Solar - Australasia
